

- The FINAL LAPS Math Fact Challenge is a chance for children to race their way to excelling in math.
- The challenge will begin on Friday April 26, 2019 to end on Friday May 13, 2019. Children will complete 10 minutes of math a day to complete a lap. After each lap is completed, the parent will initial that lap on the ruler below. Once 10 laps are completed, cut out the ruler and return it to school. Deadline to complete challenge is Friday May 13, 2019.
- Children completing the Final Laps will receive free entrance to Williams Grove Speedway & two • complimentary tickets per child for School's Out Night on June 7th. Tickets and participant rewards will be handed out at school.
- To participate, students in grades K-2 will use Monkey Math (app), mathplayground.com, or funbrain.com/math-zone. Students in grades 3-5 can use ixl.com, bigbrainz.com, khan academy, mathgames.com, or xtramath.com. Students without access to these programs can receive a paper packet to complete. Please contact Tanya Pechart at mpechart1180@comcast.net or 717.249.4240.
- All students that compete in the Final Laps, will win a pair of 3D Fireworks Glasses, a pencil, And all will be entered to win an Amazon Fire Kids Tablet!

2019 School's Out Night will be:

Friday June 7th – 410 Sprints & Super Late Models with Fireworks. Gates open at 5:30pm. Racing at 7:30pm **Activities, Games, Prizes**
