CLUB TUESDAY - JANUARY
4 Tuesdays: 7th, 14th, 21st, and 28th
4-5 pm (pick up by the gym)

Club Tuesdays are organized by Monroe Elementary PTO with support from our teachers and parent volunteers. Thank you teacher and parent volunteers for helping—we cannot run our programs without you!

Participation in Club Tuesday gives Monroe Elementary PTO the right to take and post photographs of students on social media.

All school rules and expectations for behavior apply. The safety of all students participating is our first priority. We want students to enjoy the activities, but students are expected to respect and follow directions from all adults. Students who misbehave will not be permitted to continue with clubs and will not be issued a refund. School administration will be involved with discipline situations as needed and as they arise.

Payment Information: The first two children in a family are full price. Additional children in a family are half price. There will be no reimbursement or transfer of credit for missed days due to weather or illness, or for students removed from clubs due to discipline. Children of volunteers attend Club Tuesday for no charge during the month service is rendered. Registration forms are still required and spaces are filled as forms are received, even if students are free.

Note: There is not a certified school or registered nurse on site during PTO events and activities. If parents have concerns or students have routine medical needs, please contact the event chairperson to make accommodations. In the event medical attention is needed, parents will be contacted and/or event coordinators will call 911.

Event Coordinators: Kristen at purplepitgirl@comcast.net or Roxanne at roxanneinwv@yahoo.com
        If you will be late for pick up please call or text Roxanne Hanson at 801-564-2021.
