

HIT THE BOOKS

Senators Reading Program

Each student is asked to read four books at an appropriate level for the child. As each book is read, please mark each base on the bookmark until the student reaches home plate. Students may participate by their parents reading four books to them if that is an appropriate level of reading for the child.

After four books are read and the student has reached home plate, turn in the bookmark to your child's teacher. The student will receive a bookmark for one of the designated "Hit the Books" Nights at the ballpark. The bookmark will also grant the student access to a pregame ceremony on the field.

Bookmarks will be valid only on the nights designated by the Harrisburg Senators. These dates will be on the bookmark.

Monroe's Night is on Saturday April 18, 2020 at 6:00pm.
Monroe 3rd, 4th & 5th graders will be singing the National Anthem! More information will be coming home.

Please return your completed bookmark by March 6, 2020.
